Masks are worn when not playing. In some circumstances masks may be required to be worn by everyone at all times.

Everyone must have proof of full vaccination or a negative test result to enter the facilities.

Everyone who participates in our soccer league acknowledges the inherent risks associated with COVID-19 and agrees to assume the risks involved.

Everyone who participates certifies that they do not presently show any of the symptoms of COVID-19;
that they have not been in contact with anyone having a COVID-19 infection;

that they will observe all public health and league safety requirements.

Everyone agrees to participate in contact tracing.

To reduce congestion around the gyms please observe the separate entrances and exits.

Game schedules have been modified to avoid congestion as players arrive and leave the facilities.

Try to observe some physical distancing while coaching and on the bench

Referees will handle the game balls and arrange for their cleaning. Coaches will handle the cleaning of team practice balls.

Referees will use hand sanitizer and disinfecting wipes.

Referees will warn players to minimize unnecessary physical contact.

Referees and coaches should avoid physical contact with other participants.

No pre-game and post-game handshakes. Use a greeting that does not require physical contact.
