- **Daily Game Status** will be updated after 4:30pm on game day during the weekdays, and after 10:00am on weekends.
- **We do not follow the City of Regina policy** so checking the City's website is of no use.
- We only cancel games due to inclement weather such as heavy rain, thunder and lightning, or, if the field conditions are dangerous. Otherwise, the game will be played.

- Click on the link above, and then click on **Uniform Pickup / Picture Schedule**.
- Uniform pickup and Pictures will take place at:

- If you have more than one player registered, you can pick up all the uniforms at the same time and have the players' pictures taken as well.
- **Teams do not have to attend at the same time to be included in the team picture.** The photographer will take individual player pictures and put them together to create a team picture.
- If you cannot attend during your team's allotted time, please attend any time during the dates and times listed on the website as being uniform pickup/pictures. We ask that you try to make your scheduled time so that the team is together when getting your uniforms and meeting your coach. This also helps the photographer and the South Zone staff tremendously.
- If you cannot attend at any time during the dates outlined, please send a representative to pick up your player's uniform.
- A lunch break is scheduled for the Photographer and South Zone staff (time indicated on the website). Unfortunately we will not be available during that time.
- Please note – players who registered after March 30 will not receive their personalized hats until May 1.

- If you miss uniform pickup entirely, the only opportunity to pick up your player's uniform will be announced at a later date. *Your coach will not have your uniform.*

- Picture orders will be available for pickup at the South Leisure Centre – 170 Sunset Drive, at a date and time to be determined.

- You cannot drop off your players and leave.
- In Division 1 and 2 a parent must help their player when batting and must stand with the player in the field. Please help the coaching staff of your team as much as possible.

What is the responsibility of the coaches and assistant coaches?

- Coaches will receive a binder or clipboard with the team information, player roster, and batting and field document. This binder will be available at uniform pickup.
- Coaches will receive a bag of equipment which they will utilize for the season and must return at the end of the season.
